

From a 1941 entry in:

*The Walnut Kernel*

Saturday night dances were a primary use for the Hall.

“What is probably the oldest continuous series of dances in Contra Costa County is conducted monthly in the Danville veterans’ hall by the Mt. Diablo post of the American Legion. On the first Saturday night of each month, the post and woman’s auxiliary have an oldtime dance where middle-aged folk may enjoy the...dances they learned when children.”
